# FACT/GDFM NEWS

As we prepare to embark on another season at the Glendive Dinosaur & Fossil Museum, our purpose weighs heavily on my mind. Since the museum is filled with dinosaurs and fossils, the temptation is to make those two things our primary purpose. We could simply present cool facts about dinosaurs, how they possibly lived, and what they may have eaten. We could wow the public with our knowledge of all things fossil and seek to be highly regarded as a repository of dino information.

The band Casting Crowns has a song that has often impacted my perspective and brought much needed focus on what is important in any kind of Christian ministry. The song is titled “Only Jesus” and presents the case that our goal in life should not be about being remembered for who we are, but for who Christ is. If we fade from the scene and no one remembers our name, does it really matter as long as they remember Jesus?

One of the temptations in all types of ministries is to make it all about self. We might desire to be remembered as a great creation speaker or the designer of incredible museum exhibits or the most knowledgeable museum curator to ever walk the planet. Ultimately, those things won’t change the hearts and lives of people. Only an encounter with the Creator God of the universe can do that.

The Glendive Dinosaur & Fossil Museum may become one of the most famous creation dinosaur museums around, but does it matter if our focus isn’t on Christ? If we become known for our exhibits or our paleontology work, what do we gain if it doesn’t point people to the truth of God’s saving work?

As the new season approaches, would you pray with us that God would use this museum to impact lives for Christ? Would you pray that every exhibit would ultimately point people to the trustworthiness of the Bible and that each visitor would consider God as Creator, Sustainer, and Savior? As you pray for us, we will be praying for you, that God would give you the opportunity to point people to the Savior, Jesus Christ.

We would love for you to come visit us this spring. We will be open on March 7th & 8th from 10am-5pm and in April and May on Fridays and Saturdays from 10am-5pm. We look forward to seeing you at the museum!
