The Genesis Experience

What do explosions, illusions, and the Bible have in common? On Wednesday, May 28, 2025, at the Glendive Alliance Church in cooperation with the Glendive Dinosaur & Fossil Museum, Pat Roy and Zach Paramo from the Creation Guys wove all three together to point us to the Creator as presented in the book of Genesis.

About 200 attendees were amazed and challenged as the Creation Guys showed that scientific discovery supports the biblical view of origins. They used a wide range of experiments to show the weaknesses of the big bang and evolution. The evening was concluded with a gospel presentation.

Prior to the evening event, the Creation Guys interacted with visitors at the Glendive Dinosaur and Fossil Museum promoting the evening event as well as answering questions about creation.

Thank you, Creation Guys, for your commitment to God's Word and sharing it with the world!
