FACT/GDFM NEWS

God's Design in Animals

Did you know that God's handiwork is seen in the animals He created? Romans 1:19-20 states, "For what can be known about God is plain to them, because God has shown it to them. For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse."

Dr. Jeffrey Tomkins from the Institute for Creation Research highlights several creatures in his online article "Intricate Animal Designs Demand a Creator."

One example Dr. Tomkins features is the dragonfly. Human engineers have attempted to copy its amazing flight capabilities. The dragonfly can maneuver straight up and down and even hover in place like a helicopter. The dragonfly's visual system is so intricate and precise that combined with its flight capability, it can snatch rapidly moving prey out of the air with 95% accuracy.

Several books have been written that describe humanity's attempts to mimic God's creation. While some attribute the amazing design of animals to millions of years of evolutionary change, others rightfully give glory to the Creator God who wove each creature together to fulfill His purposes.

One such book is Discovery of Design by Donald DeYoung & Derrik Hobbs. The book seeks to explore the intersection of science and God's blueprints for life. Books like these help us to see the world through the lens of God's creative works and to bring Him glory in our scientific exploits.

Next time you are on a walk through God's amazing creation, remember that God designed every detail of every animal He created, and no matter how intricate His creation is, remember how much more He cares for you. Jesus declared this truth in Luke 12:27-28, "Consider the lilies, how they grow: they neither toil nor spin, yet I tell you, even Solomon in all his glory was not arrayed like one of these. But if God so clothes the grass, which is alive in the field today, and tomorrow is thrown into the oven, how much more will he clothe you, O you of little faith!"

2025 Museum Hours
10am-5pm

Friday & Saturday April & May

Mon-Sat Memorial thru Labor Day

Friday & Saturday Sept & October

Friday & Saturday November 28 & 29

Where Biblical History Comes Alive!

Guest Appreciation Day Recap

A huge thank you to the more than 250 people who joined us for the 2025 Glendive Dinosaur and Fossil Museum Guest Appreciation Day! It was a blast! We were thrilled to see so many smiling faces and excited kids (and kids at heart!) enjoying the museum.

Our lab was open for visitors to get a behind-the-scenes look at the amazing work our paleontologist does, and it was great to see people of all ages engaging with them and learning more about the fascinating world of fossils and dinosaurs!

The spin wheel in the gift shop was a hit. Thank you to the Glendive Public Library for letting us borrow their prize wheel! This was a wonderful opportunity for us to show our appreciation to our amazing guests, and we're so grateful for the incredible support we've received from the community. Thank you again to everyone who came out and made this day so special!

Discovery of Design, by Donald DeYoung and Derrik Hobbs highlights incredible examples that include how things like batteries, human organ repair, micro-lenses, automotive engineering, paint, and even credit card security all have links to natural designs, as well as current and future research from the fields of stealth technology, communications, cosmetics, nanotechnology, surveillance, and more! Take a fantastic journey into the intersection of science and God's blueprints for life - discovering answers to some of the most intricate challenges we face.

Check it out on our website at creationtruth.myshopify.com

Note our Fall Hours:

After September 1st, we will only be open **Fridays & Saturdays** from

10 am-5 pm through the end of October.

Donations:

FACT is supported through museum admissions, gift shop sales, digs, and donations.

To **donate by check**, please mail to the address on the right.

To **donate by credit card**, please visit our website and click on the donate banner or give us a call.

Thank you for your support!
